Welcome Intro

Welcome to Leadville!

Anything more is not necessary, anything less is not acceptable. We are so thrilled to welcome you to the 2022 Life Time Leadville Trail 100 Run, as we kick off our 39th year of racing in the magical Cloud City.

Leadville is a place to call home and feel connected with those who share a common passion. It’s a starting line that welcomes each and every one of you with open arms. The thunder from the old double 12 gauge will start your great adventure and at the other end is that finish line. It’s not just a finish line, it’s the beginning of a new you - one who possesses the Grit, Guts, and Determination to take on the tallest mountains, the baddest trails, the thinnest air and refuses to quit until the job is done. That medal around your neck says, “I can take it and I can dish it out. You can count on me!”

Our goal for the Leadville Race Series remains the same as it has been since runners first lined up at 6th & Harrison on that early morning in 1983 - to make a difference in the local community and across the world. On your behalf and in your honor, the Leadville Trail 100 Legacy Foundation, the Life Time Foundation, and the Leadville Race Series have partnered on a variety of projects this past year to benefit Leadville and Lake County. We’ve given out over $350,000 in college scholarships to Lake County graduating seniors choosing to pursue higher education, we’ve given grants for new trails in Leadville, we’ve supported healthy school lunches, and we’ve donated the funds for the construction of a new gym floor at Lake County High School. None of this could have been possible without the most important part of the Leadville Race Series - YOU!

When you race in Leadville, you become family. The staff, volunteers, and community of Leadville become your family. The work is done, and your family is ready for you to take to the start line! Now between the bang and the buckle – it’s all about you. Dig Deep. Commit, don’t quit. Motivation will get you to the starting line. Only total commitment will carry you to that finish.

PROVE IT AGAIN—You’re better than you think you are and can do more than you think you can.

Course History

In 2021 the decision was made to remove pacer and crew access from Winfield. This was due to overall impact in Winfield & congestion on Hope Pass. This will remain unchanged in 2022 and NO pacers OR crew will be allowed access to Winfield.
Crew & Pacer INFORMATION

Crew Information
In collaboration with the Lake County Health Department and USFS, we are limiting each runner to 1 vehicle hang tag. Hang tags should be visible and will have your bib number on it.

Crew Shuttles
Crew shuttles will be offered beginning at 7:00 AM. Check the “Parking & Shuttles” tab for a complete shuttle schedule and map.

Crew Parking
• Attendants will assist you with parking, look for orange vests.
• Park only in designated areas.
• Do not disturb wildlife or vegetation.
• Aid stations do experience parking congestion. Be prepared to walk long distances, especially at Twin Lakes.
• Be courteous to our local community and residents, and other crews, when parking.

Crew Locations
There are 4 official crewing locations with vehicle access. Runners will hit each location twice.

1. Outward Bound
2. Pipeline
3. Twin Lakes
4. Mayqueen

Note: Crewing outside of these 4 locations is against official race rules and may result in disqualification of your runner.
**Crew Rules**

Crew must abide by Lake County & Chaffee County laws, race rules, listen and respect ALL Leadville Race Series Staff, Volunteers, and personnel in enforcement uniform or vests.

If you fail to abide and respect our community you will be asked to leave and your athlete may be disqualified!

In order to alleviate our impact and continue to permit our event over Hope Pass and into Winfield, we have worked closely with the USFS on an updated plan:

**Winfield:** No crew, spectators or pacers will be allowed in Winfield.

- Winfield Aid station will be well-stocked
- LRS Staff, Medical personnel and volunteers will be onsite
- DNFs or athlete that do not make the cutoff will be transported back to Leadville
- Drop bags will be available for athletes and are encouraged!

**Note:** LRS staff will be on-site managing vehicles coming in/out at Winfield. Do not attempt to drive a personal or crew vehicle to Winfield, you will be turned around.
## Crew & Pacer Information

### Pacer Information

Pacers can pick up their runners at any point on course beginning at Twin Lakes inbound at mile 62.

**Note:** Winfield will not serve as a crew or pacer pickup location in 2022.

Each runner will receive 2 pacer bibs at packet pickup. If you require more than 2 pacers, you will have to transfer one pacer bib to the next pacer, or you can pick up a pacer bib at one of the following checkpoints:

1. Twin Lakes
2. Half Pipe*
3. Outward Bound
4. Mayqueen

* No vehicle access at this point so you will be required to hike or bike in to obtain pacer bibs and to meet your runner at these locations.

Community IMPACT

What you need to know with regard to showing up in Leadville.

From Race Director, Tamira Jenlink:

We welcome you Leadville race family, and are so excited to have you here and share this amazing back yard with you! You are the sustenance and foundation of all of our events. And unmistakably, your love for this community and these events, creates a life and energy much like that of a family reunion. (or for some of us... maybe the one we dream of...)

Along those lines and true to our ideal of what family means, so many of you have, and continue to reach out and ask “What can I do?” “How can I support, volunteer or be more a part of this amazing community?” And this season, I want to take a few moments to answer you directly, and equally as important, share a little of what our community of Leadville has also requested.

The first one, you will hear me mention often and consistently throughout the summer; “We are in Leadville's backyard!” The magic of all of our experience begins and ends with Leadville and the foundation of this spectacular backyard; it’s amazing community.

So first, let's talk about what “community” means. Here in Leadville, community is the depth and breadth of what makes this place special. Community, in Leadville means all the amazing humans who live and breathe this 10,152’ air year round. It refers to those folks who make this town happen, keep it moving and thriving in the dead of winter (when many of us might choose a warmer climate), and ultimately are the foundation and cornerstones of the heart of Leadville.

This amazing community is the reason we have a space to hold these events. It is truly a gift for us to be given permission to pursue these events in this extraordinary space. With that in mind, I not only invite you, but really put forth a Call To Action, for all of us to show up in this backyard, as our very best selves and ultimately the BEST POSSIBLE HUMANS WE CAN BE. The gift we are able to give back, is to really hear and respond to the requests with our full attention and presence!

So PLEASE join me in responding and holding up our end of being awesome athletes, spectators, crews and all around humans! Please take special note of the sections that follow on Parking, Zero Waste and Leave No Trace. These are specific areas that the community has requested our attention around. Thank-you in advance for joining me in consciously addressing these pieces, and ultimately a crucial representation of ourselves in this amazing back-yard!

And the last thing I will leave you with is... Don’t forget to take just a moment for the total awe of where you are and who is around you. Let’s take care of each other out there on race day, and this community before, during and after!

Have so much fun!

Tamira
Parking & SHUTTLES

Parking and overall congestion in Leadville will be a crucial topic for everyone this season and for our presence in Leadville moving forward. We have a new parking plan in place for 2022 and we know that with your help we can be great stewards of this community.

All athletes and spectators will be required to park at the Community Fields and High School Parking lot and take a shuttle (or run, walk, bike) to the start line. The map link on the following page outlines parking locations and shuttle pickup spots. The shuttle locations are under 1 mile from the race start and will run efficiently and quickly to get you to where you need to be!

Crew & Spectator Shuttles

We have an enhanced shuttle program for 2022 and we strongly encourage crews and spectators to use the FREE shuttles.

Community Field & High School/ Middle School lots to:
- Start/Finish
- Outward Bound Aid Station
- Twin Lakes village

Friday Expo Shuttles
- Will loop continuously from community fields to the expo
- 11:00am - 5:00pm

Community Fields to Outward Bound
- As needed from 4:30am - 7:00am Aug. 20th
- Dedicated service from 7:00am - 12:30pm
- As needed from Leadville to OB from 12:30pm - 10:00pm
- Dedicated service from OB to Leadville 10:00pm - race finish

Outward Bound - Twin Lakes
** Outward Bound PARKING ENCOURAGED**
- Looping from 8:00 am - 11:00 pm or until all crews/spectators are back to their vehicles.

HWY 82 Shuttles
- Shuttles will also be moving along HWY 82 to bring spectators/crews safely to Twin Lakes village:
  - As needed from 8:00 am - 10:00 am
  - Dedicated service 10:00 am - 11:00 pm

- PLEASE FOLLOW ALL PARKING STAFF IN THIS AREA.
  - Crew shuttles are at no charge and courtesy of Life Time.
  - Crews are allowed at the following locations: Mayqueen, Outward Bound, Pipeline, and Twin Lakes Village. Please see the “CREW & SPECTATOR” tab on our website for more info.
Parking & SHUTTLES CONTINUED

Village of Twin Lakes Shuttles
If you intend to drive to Twin Lakes, there will be spectator shuttles to bring you from various parking locations to the village of Twin Lakes.

You are permitted to park along Highway 82 and shuttles will pick up at these 3 locations and drop off in Twin Lakes Village:

1. Moache Fishing Site
   ~ 0.4 miles
2. Mt. Elbert Powerplant
   ~ 2 miles
3. HWY 82 & CR 25
   ~ 5.5 miles

Winfield Shuttles
For Athletes Only
We will transport all runners in need of a shuttle from Winfield back to Twin Lakes.

Zero Waste & LEAVE NO TRACE

Zero Waste

All LRS events are under a zero waste initiative, and as such will be enforcing strict guidelines around waste and sustainability at our events. What does this mean? These events have the potential to leave an enormous footprint. Part of our responsibility to this community and all public and private lands involved in these events, is our stewardship and protection of this land. **WE MUST HAVE YOUR HELP!**

Trash & Recycling

- As part of a continuing effort to minimize waste and lessen our race footprint, we partnered with HydraPak and transitioned to cup-free racing. By providing runners with HydraPak’s reusable, lightweight and flexible SpeedCup, we will be saving approximately 36,000 disposable cups from being used throughout our Leadville Race Series Run events.

- We partner with our local zero waste non-profit, **Cloud City Conservation Center (C4)**, to divert 100% of race day waste from our local landfill. All Leadville races are a Zero Waste Event - meaning we do our absolute best to reduce, reuse, recycle and compost before sending something to the landfill.

- **Know Before You Throw** - Leadville is a small community and we do not have the same waste infrastructure as your community. Please read all signage before tossing your trash -including both event and public receptacles. Aren’t sure where to toss it? Ask a Zero Waste Volunteer on site or visit [C4leadville.org](http://C4leadville.org) before your trip to plan ahead.

- As a **Leave No Trace (LNT)** event, racers and crew are required to abide by the LNT principles on race day. We encourage you to follow these principles during your entire visit to Leadville - throughout your race weekend and any training visits you make as well! Please see our page on LNT.

- Intentional littering on the course, will be grounds for disqualification.

- The course—on trails both public and private—travels past many historic sites and through areas of exceptional beauty. Join us in this crucial initiative to keep them pristine!
Zero Waste & Leave No Trace Continued

Leave No Trace

The Leadville Race Series will directly hold and mirror the 7 principles already established and in place via the US Forest Service. Below is a direct excerpt from USFS Leave No Trace web page which can be found at: https://www.fs.fed.us/lei/no-trace-ethics.php#

The Leave No Trace Seven Principles

1 Plan Ahead and Prepare
   • Know the regulations and special concerns for the area you’ll visit.
   • Prepare for extreme weather, hazards, and emergencies.
   • Schedule your trip to avoid times of high use.
   • Visit in small groups when possible. Consider splitting larger groups into smaller groups.
   • Repackage food to minimize waste.
   • Use a map and compass to eliminate the use of marking paint, rock cairns or flagging.

2 Travel and Camp on Durable Surfaces
   • Durable surfaces include established trails and campsites, rock, gravel, dry grasses or snow.
   • Protect riparian areas by camping at least 200 feet from lakes and streams.
   • Good campsites are found, not made. Altering a site is not necessary.
   In popular areas:
     • Concentrate use on existing trails and campsites.
     • Walk single file in the middle of the trail, even when wet or muddy.
     • Keep campsites small. Focus activity in areas where vegetation is absent.
   In pristine areas:
     • Disperse use to prevent the creation of campsites and trails.
     • Avoid places where impacts are just beginning.
**Zero Waste & Leave No Trace Continued**

3. **Dispose of Waste Properly**
   - Pack it in, pack it out. Inspect your campsite and rest areas for trash or spilled foods. Pack out all trash, leftover food and litter.
   - Deposit solid human waste in catholes dug 6 to 8 inches deep, at least 200 feet from water, camp and trails. Cover and disguise the cathole when finished.
   - Pack out toilet paper and hygiene products.
   - To wash yourself or your dishes, carry water 200 feet away from streams or lakes and use small amounts of biodegradable soap. Scatter strained dishwater.

4. **Leave What You Find**
   - Preserve the past: examine, but do not touch cultural or historic structures and artifacts.
   - Leave rocks, plants and other natural objects as you find them.
   - Avoid introducing or transporting non-native species.
   - Do not build structures, furniture, or dig trenches.

5. **Minimize Campfire Impacts**
   - Campfires can cause lasting impacts to the backcountry. Use a lightweight stove for cooking and enjoy a candle lantern for light.
   - Where fires are permitted, use established fire rings, fire pans, or mound fires.
   - Keep fires small. Only use sticks from the ground that can be broken by hand.
   - Burn all wood and coals to ash, put out campfires completely, then scatter cool ashes.
   - **Know and follow all current fire restrictions**

6. **Respect Wildlife**
   - Observe wildlife from a distance. Do not follow or approach them.
   - Never feed animals. Feeding wildlife damages their health, alters natural behaviors, and exposes them to predators and other dangers.
   - Protect wildlife and your food by storing rations and trash securely.
   - Control pets at all times, or leave them at home.
   - Avoid wildlife during sensitive times: mating, nesting, raising young, or winter.

7. **Be Considerate of Other Visitors**
   - Respect other visitors and protect the quality of their experience.
   - Be courteous. Yield to other users on the trail.
   - Step to the downhill side of the trail when encountering pack stock.
   - Take breaks and camp away from trails and other visitors.
   - Let nature’s sounds prevail. Avoid loud voices and noises.
**IMPORTANT Info & Rules**

1. You **MUST HAVE** your ID to pick up your packet. You **CANNOT** pick up a packet for your friends.

2. Timing chips, located on the back of the race bib, must be worn at all times during the race.

3. Age group awards are three deep per category/division.

4. Unsportsmanlike conduct is grounds for disqualification.

5. **Respect the land** - no garbage, clothing, etc., shall be thrown on the course. If runners are caught littering, they will be disqualified. There will be trash receptacles at all aid stations. Please use them!

6. DNFs must be reported to timing, preferably at the start/finish line or nearest aid station.
Awards

Awards Ceremony

**Race Sponsors**

We thank the following sponsors for making the Life Time Leadville Trail Marathon and Heavy Half presented by La Sportiva possible. Whether local or national, we ask our participants and fans to look to these sponsors first for the services or products they provide. We truly could not host these amazing events without all of you.

*Our most sincere thanks to you all!*
